

必胜客披萨堡

我是一名外卖小哥
吃的那些，我见多了。
美食内幕知道不少
没什么能唬住我。
正做着呢！
“0添加 安格斯牛肉饼”
嚯，这么大一块牛肉！
肥瘦不错嘛！
这迷人的焦香，
漂亮的美拉德反应，
这面包不一般，
竟然还有芝士！
外脆内软，真香！

芝香包裹着肉香，
哦？还有焦糖洋葱！
什么？这肉！
这肉是给汉堡的！
这厚实的牛肉饼，
丰富的层次感，
这就是全新必胜客披萨堡！
这一切都是真的吗？
连包装都这么优雅，
你还挺会点的啊！

I'm a delivery guy.
I've seen a lot of food.
I know a lot of secrets about delicious food,
nothing gets past me.
Nothing can fool me.
I'm in action now!
Zero additives Angus Beef patty.
Wow! That's a lot of beef!
Looks like the perfect fat-to-lean ratio!
That freshly cooked aroma is irresistible.
And that bun, that's no ordinary bun.
Just look at that gorgeous brown crust.
Crispy on the outside, soft on the inside,
it smells amazing!
There's even cheese!

The cheese melts into the sizzling beef aromas
seamlessly.
Oh, and don't forget the caramelized onions!
Wait, what? That beef!
It is for the burgers!
Thick, hearty beef patties loaded with flavor.
This is the new Pizza Hut Pizza Burger!
Is this all for real?
Even the packaging is cool!
